One day a mysterious stranger named Beloved comes to visit her, and she learns that beyond the darkness there is a land of new beginnings where dreams really do come true. Beloved gives her a special book and a bag of weapons, and she begins a journey that will take her away from the loneliness and heartbreak she has always known and into a life of hope and freedom. Will Abigail be able to survive the Sea of Tribulation which lies between the orphanage and the new life she has been promised? What about the book and bag of weapons Beloved gave her? Will the power they possess be enough to get her through the turbulent sea and safely to her destination? Find out as you journey with Abigail to the new land and she discovers that all things are possible to those who believe.
