"Maylene Whitmire is a Wiccan Witch plagued with bad-news boyfriends. They flock to her like bees to honey. Each one seems different in the beginning, but they all end up the same. Bad news. And she's fed up. When Artemis, her Patron Goddess, suggests a two-year vow of celibacy, Maylene jumps at the chance. Three months before her celibacy vow ends she runs into Blaine Rutledge, a Wiccan Green Witch and the sweetest, sexiest man she's ever met. Sparks fly, and her libido sizzles. My, oh my The last few months of her celibacy vow are about to become not only an erotic adventure but also the greatest challenge of her life."
