"Officer Down Officer down " begins Blood Redeemed, the latest in the award-winning and critically acclaimed Lucas Rook Mystery series. There are two cops on the roof -- one black, one white and both dead. And standing nearby is blind supermodel, Grace Savoy, with a chromed .357 in her hand. Ex-NYPD detective turned PI Lucas Rook tries to untangle the obvious from the unexpected in this thrilling sequel to Hell's Reunion. With him is a cast of unforgettable characters.
