He approached, and perceived the Gothic remains of an abbey: it stood on a kind of rude lawn, overshadowed by high and spreading trees, which seemed coeval with the building, and diffused a romantic gloom around. The greater part of the pile appeared to be sinking into ruins, and that, which had withstood the ravages of time, shewed the

remaining features of the fabric more awful in decay. The lofty battlements, thickly enwreathed with ivy, were half demolished, and become the residence of birds of prey.
