First in the series, The Adventures of Nosir Rag, The Dark Yergall is a comical trip through a dystopian future filled with galactic intrigue. An alien race called Yerggs, conspire with the Imkass Empire to finish off humanity. First, they must remove from the human genome its evolutionary potential. Nosir Rag is a journalist who, with the help of an E.T. Rat Pack, discovers what is keeping the forces of darkness from completing their nefarious plan. He then must overcome everything from sycophantic office assistants to tidal waves of love goo to keep hope alive in the Dark Yergall obsessed Imkass Empire.
