"Dear Mum" and "Dear Dad" are tributes to two of life's most fundamental relationships. These unforgettable images, chosen from the M.I.L.K. collections, celebrate what it is to be part of a family, to share the gift of friendship and, more than anything else, to be loved. M.I.L.K. began as an epic global competition to find extraordinary and geographically diverse images portraying humanity's "Moments of Intimacy, Laughter and Kinship". The winning images in the original M.I.L.K. collection

were chosen by eminent Magnum photographer Elliott Erwitt, and ten years after the original M.I.L.K. competition, a brand new collection of 150 images from around the world, again chosen by Elliott Erwitt, continues to celebrate our moments of intimacy, laughter and kinship.
