In recent hit books, "Life" has focused on themes including Vacations, Animals, Holidays, and Mysteries. Now, readers go on a tour of the whole wide world in a vibrant, colorful book that is a fun travelogue as well as a super-fun game book. Can readers spot the differences between this Eiffel Tower photo and that one? Can they

find the changes in this version of the Great Wall of China? "Life's Picture Puzzle Around the World" is the perfect companion for readers going on a trip or vicariously traveling - and puzzling - from their armchairs at home.
