《经典中国诗词100首》内容简介：The poems of the Tang dynasty (618-907) and the Song dynasty (960-1279) mark the twin peaks in classical Chinese literature. Even today, poets such as Li Bai, Du Fu, Wang Wei, Bai Juyi, Li Shangyin, Su Shi, Xin Qiji and Li Qingzhao are still commonly read as an integrated part of Chinese culture.

This volume presents more than a hundred celebrated poems selected out of the Tang and Song dynasties, translated into English by Dr. Qiu Xiaolong, himself a renowned, award-winning bilingual poet. For a unique effect, each poem here is matched with a classical painting, corresponding to the traditional poetics of yijing—"the world of meanings through images", so the reader may enjoy a special, advantageous entrance into the world of classical Chinese poetry.

要考专八这种书还是多看看吧 毕竟翻译部分应该有古文和文学类的比较多
而且一开始想整本书怎么搞那么国际 搬点UCLA的人出来干嘛啦 喔哟
结果一看裘老师都是美国公民了

裘小龙是作家，不是学者，也不是翻译。

书做得挺好看也比较规范 功能性嘛 一言难尽呐
