出版时间:2003-02-18

装帧:Paperback

isbn:9780766142961

In this set, originally published under the name of the Six Systems of Indian Philosophy, Muller presents the notes he accumulated over the years regarding the growth of philosophical thought and the systems of Indian philosophy. This is a more general and comprehensive account of these six systems in which philosophical thought of India has found its full realization.
