After the storming success of Horrid Henry's three Joke Books, it's time for his arch rival Moody Margaret to strike back. The two foes each put forward their most dastardly dares and side-splitting jokes in their own books, resulting in a hilariously horrid showdown! Filled with witty comments and acerbic asides from Henry and Margaret's friends, enemies, families and teachers, along with brand new Tony Ross illustrations, this two book collection should keep Henry's (and Margaret's!) fans mischievously quiet.
