Kumiko saw it first. A heart - a human heart - slithering down outside the window of a train travelling between London Bridge and Blackfriars. Someone must have thrown it out from a carriage in front. Kumiko is determined to find out who - and why. But Skelton was sitting next to Kumiko on the train and he saw it too, so he also wants to get to the bottom of the mystery. Or he says he does, but really he just wants Kumiko back, because she's walked out on him, just like that, and left him heartbroken. Each for their own reasons, Kumiko and Skelton set out - separately - on a bizarre trail of discovery. Darting between dingy student pubs, the roofs of Borough Market and the corridors and car-parks of Guy's Hospital, they become embroiled in the seedy world of young medical students, until eventually the gossip and the stories lead them both to the hospital's infamous dissection lecturer - known behind his back as 'King Death'...

这算是读过的第一本英文书籍，写作课的每位同学各手持一本，每节课必抽查所读内容及写作训练，老师极其严格，因此读了一遍又一遍，恨不得掌握各个细节，那时光可真妙不可言~

---

前面读着一直以为就是一部掺杂着悬疑色彩的小两口闹别扭高级版故事，可是越到后来才发现还真不是看上去那么简单。不得不说作者是一个很会讲故事的人。

---

"I had loved him all along. i had just been furious with him, for not being a different

person"
