This updated manual prepares high school students for the preliminary version of the SAT college entrance exam, the PSAT. The test also functions as the National Merit Scholarship Qualifying Test (NMSQT), which gives students a chance to qualify for

valuable college scholarships. The opening section of Barron's updated fifteenth edition familiarizes students with the PSAT test format, and includes sample questions and detailed test-taking advice. Students are shown how the test is scored, and are offered tips on how to approach each of the test's different question types.

The book's main features include:

A Diagnostic Test with answer key and explanations to help students pinpoint areas where they need further study Critical Reading Review offering practice exercises for the Sentence Completion Question, tips on improving reading comprehension, and vocabulary-building exercises Writing Skills Review with exercises to help students avoid grammatical errors and sharpen their paragraph writing style Detailed Math Review covering arithmetic, algebra, geometry, and related math topics including probability, data interpretation, and more Four full length practice tests that reflect the PSAT format with answer keys and answer explanations
