著者:Geoffrey Moorhouse

出版者:Griffin/Clarkson S. Potter

出版时间:December 12, 1988

装帧:Paperback

isbn:9780517571149

Moorhouse wanted to be the first man to cross the Sahara, west to east, over 3,000 miles (4,830 kilometers) of sand. He also wanted to face his fears of loneliness, of annihilation, of being lost. He managed to make it 2,000 miles (3,220 kilometers), and his account of his experiences, outer and inner, is understated but compelling.
