isbn:9788896131145

The official biography of the controvert and historical British project DEATH IN JUNE.

“Nascosto tra le Rune” (Hidden between Runes) was written, on Italian, by the music journalist Aldo Chimenti with the collaboration of Douglas P.

400 pages with loads full colour photos, a long interview resuming the entire work of this British project including 3 chapters devoted to CRISIS, the legendary pre DEATH IN JUNE punk band.

The large part of the iconographies comes from the personal archives of Douglas P. ed is absolutely exclusive and never edited.

The book will come along with an additional audio CD containing a radio interview to Douglas P. and some DIJ songs Douglas was selecting for this purpose.

CD also includes a series of Jingles composed by Dougls P. for promoting DIJ releases and concerts, such Jingles are all exclusive for this release and was never edited

before.

This Audio CD will be absolutely exclusive to the Italian edition of "Nascosto Tra Le Rune" and not available elsewhere.

At present no English or other foreign language editions of the book are planned

The book is pressed in a large format aprox. 19x26 cm (7.5x10 inches),
