《简明读本(中英文版):庄子》内容简介: The Collection of Critical Biographies of Chinese Thinkers, under the general editorship of the late honorary president of Nanjing University, Professor Kuang Yarning, is the largest-scale project of research materials on Chinese thinkers undertaken since the beginning of the twentieth century. Standing on the shoulders of this great man and other 200 well-known Chinese professors, this collection of concise Chinese-English version is not only based on a profound academic foundation, but also exhibits a brand new feature which is the virtue of explaining the profound in a simple way, hence leading readers to mastery of the contents; it also incorporates a refined principle of selection, a simple mode of evaluation and commentary, and a moving narration of the stories and their wisdom.

Zhuangzi, one of the most brilliant philosophers in Chinese history, advocated a simple life according to one's own conscience and nature without restraint. His humor, sophistication, literary genius, and philosophical insights found their perfect expression in his masterpiece Zhuangzi, which has deeply influenced the traditional Oriental art and culture as well as the contemporary western world.
