Adolph Verloc leads a double life. As well as running his seedy Soho shop, he is also a secret agent, operating for an underground anarchist cell - and his job is about to get far more dangerous. When his leaders instruct him to plant a bomb at Greenwich Observatory, his plans go terribly awry, with tragic repercussions for him and his family. Books that save lives come in one colour. Choose (Penguin Classics) Red, Save Lives. Penguin Classics has partnered with (Product) Red to bring you our selection of some of the best books ever written. We will be contributing 50 per cent of the profits from the sale of (Penguin Classics) Red editions to the Global Fund to help eliminate AIDS in Africa. Now great books can help save lives.
