著者: Akutagawa, Ryunosuke

出版者: Peter Owen

出版时间: 2009-9

装帧: Paperback

isbn: 9780720613377

In Japanese folklore the Kappa is a scaly, child-sized creature with a face like a tiger and a sharp, pointed beak. In the hands of Ryunosuke, one man's journey to `Kappaland' becomes the vehicle for a critique of Japanese life and customs in the tradition of Swift and Kafka. A perfectly formed gem from the pen of one of Japan's most important modern writers (creator of Rashomon), Kappa is at once a fable, a comedy, and a brilliant satire.
