The death and burial of Addie Bundren is told by members of her family, as they cart the coffin to Jefferson, Mississippi, to bury her among her people. And as the intense desires, fears and rivalries of the family are revealed in the vernacular of the Deep South, Faulkner presents a portrait of extraordinary power - as epic as the Old Testament, as American as Huckleberry Finn. (20031208)

评论

今天有人问2020有什么目标，我说没有目标，其实真实愿望是2020可以一直躺尸。

下到的是对文本的解读。

不太喜欢
