1899. Selected and with an introduction by Bennett Cerf and Van H. Cartmell. William Sydney Porter (O. Henry) was the most popular short story writer of his time. His stories typically revolved around two of his favorite themes, the situation of the impostor and fate as the one unavoidable reality of life. Another device he used was the surprise ending, usually coming about through coincidence. He was the founder of the humorous weekly *The Rolling Stone*. When the weekly failed, he joined the *Houston Post* as a reporter and columnist. He was convicted of embezzling money, although there's much debate over his actual guilt, and while in prison he started to write short stories. His first work, *Whistling Dick's Christmas Stocking* appeared in *McClure's Magazine*. After emerging from prison Porter changed his name to O. Henry. He then moved to New York and wrote a story a week for the *New York World*, while also publishing in other magazines. This volume contains 38 of the best works of O. Henry including: *The Gift of the Magi*, *The Ransom of Red Chief*; *Mammon and the Archer*; and others. See other titles by this author available from Kessinger Publishing.

我只读了 *mammon and the archer* 就来做第一个评论是不是不厚道了一点 ·
