"Great writers by definition are outriders, raiders of a sort, sweeping down from wilderness territories to disturb the peace, overrun the status quo and throw into question everything we know to be true. . . . On its face, the novel is a murder mystery, and at the book's heart, always, is a deep love of Mexico and its people." --"Los Angeles Times" Subcomandante Marcos is a spokesperson and strategist for the Zapatistas, an indigenous insurgency movement based in Mexico. Paco Ignacio Taibo II is the author of numerous works of award-winning fiction and nonfiction, which have been published in many languages around the world. He lives in Mexico City.
