《中国服饰(英文版)》内容简介： In the Chinese way of describing the necessities of life, clothing ranks at the top of "garments, food, shelter and means of travel." In this country with a long history of garments and ornaments, there is a wealth of archeological findings showing the development of garments, as well as their portrayals in ancient mythology, history books, poems and songs, novels and drama. China, as a country made up of 56 ethnic groups that continually influenced each other, has undergone continuous transformation in dress style and customs.
