isbn:9781935554288

says W., ‘to that of Levinas and Blanchot’ . Of their correspondence, only a handful of letters survive. Of ours, which takes the form of obscenities and drawings of cocks exchanged on Microsoft Messenger, everything survives, although it shouldn’ t. Of their near daily exchanges, nothing is known; of our friendship, everything is known, since I, like an idiot, put it all on the internet.
