# Fashion Designers Sketchbooks

[Fashion Designers Sketchbooks_下载链接1_](#)

著者:Hywel Davies

出版者:Laurence King

出版时间:2010-10-4

装帧:Hardcover

isbn:9781856696838

Fashion Designers' Sketchbooks provides a revealing insight into the design process of some of the major names in the fashion industry. Garments on the catwalk are

juxtaposed with lookbooks, original research material, and finished illustrations, giving a new perspective on the working methods of leading international designers. This unique approach makes the book a fascinating resource for both students and designers.
