"January 24th After you've had it, there isn't even life without drugs...." It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth -- and ultimately her life." Read her diary. Enter her world. You will never forget her." For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful -- and as timely -- today as ever, Go Ask Alice remains the definitive book on the horrors of addiction.
