This electrifying biography explores Stefani Germanotta's rapid rise to global stardom in the guise of the outrageous Lady Gaga. Hers has been a triumph achieved with the help of wild image-making, infectious pop hits and a teasing strand of ambiguous sexuality that has turned her into a gay icon. At heart it's the story of a unique self-made phenomenon - a Madonna for today. As an adoring fan of Freddie Mercury and David Bowie, Lady Gaga took the essence of 80s glam and reinvented it for the digital age. Commercially successful and critically accepted she shot from obscurity on Manhattan's club scene to worldwide fame in just a couple of years. This is the in-depth examination of her high-speed rise in the fame game, reported with a mix of admiration and sharp journalistic insight.

评论

图书馆有，就顺便拿来翻看  
很矛盾的一个说法，既然说gaga是唯一一个在公众面前与她本身性格相吻合的个例，  
那么在成为ladygaga之前的ladygagashiite从哪里出现的呢？
