Finally—an updated, new edition of the beloved guide to bread baking

Amy's Bread is a legendary New York institution that serves some 50,000 customers every month and supplies bread to more than 300 restaurants and stores daily. Long

out of print, Amy's Bread shares Amy Scherber's recipes and techniques for everything from basic loaves to artisan breads. Now fully revised and updated, this full-color edition includes more than fifty recipes for home bakers at every level of experience.

Amy's Bread starts with the basics like Big Beautiful White Pan Loaf and French Baguette before progressing to more complicated recipes like Whole Wheat Sandwich Bread with Oats and Pecans and Semolina Bread with Apricots and Sage. But there's more here than just bread—recipes for pizzas, sandwiches, and sweet treats are also included.

- A helpful introduction covers basic bread baking techniques, starters, ingredients, and equipment
- 130 full-color photos illustrate bread shaping and scoring techniques, as well as photos and personal stories that reveal the inner workings of the bakery
- Artisan breads can cost \$5 or more at the market; this book lets you make them at home for just a fraction of the cost

Whether you've just discovered the joy of bread baking or you've been doing it for decades, this revised classic will keep your oven hot for years to come.

评论

I don't think Amy's Bread's breads are delicious, but this book is pretty good.
