A comprehensive dog training program that offers the added benefit of one-on-one online advice from the author Do you consider your dog part of the family? Most dog guardians do. But just like children, dogs need structure. Structure to show him that he shouldn't jump on every person who enters your house, or urinate indoors, or drag

you down the road when you walk him. In *Imagine Life with a Well-Behaved Dog*, Julie Bjelland offers all the information you need to make your dog confident, secure and able to understand and follow rules. Drawing on years of experience, Julie has created a thorough guide that teaches basic training, how to communicate with your dog, and how to prevent and solve behavior problems. She discusses puppies and adult dogs, even special needs dogs, and tells how to choose the right dog for your family and how to integrate him into a home with kids, other dogs, or cats. Because each dog's situation is unique, Julie is offering readers exclusive one-on-one guidance via her website, for up to 60 days. Here dog training, often very expensive, is affordable and accessible to a broad audience. Julie's down-to-earth, uncomplicated advice is a welcome solution for a busy dog guardian and aims to change the way people communicate with, and care for, their dogs forever.
