Develop Your Leadership Skills is John Adair's most accessible title on leadership. Full of exercises and checklists, it can help boost confidence levels and guide and inspire anyone on their journey to becoming a leader of excellence. Acknowledged as a world expert, John Adair offers stimulating insights into recognizing and developing individual leadership qualities, acquiring personal authority, and mastering core leadership functions such as planning, communicating and motivating. Suitable for anyone who wishes to improve or develop their leadership skills, this guide distils the essence of John Adair's teaching and provides a framework for becoming an effective leader.

A small book, with all leadership essentials in less than 100 pages, absolutely free of bullshit. It has the knowledge you need to know, the tools and checklists you need to practice. Very easy to understand, and very handy to use as a guidebook for new leaders and the leaders-to-be. The first rule to become a leader: be prepared!
