BEC is an internationally recognised business qualification that demonstrates an

ability to use English in professional contexts. As a University of Cambridge ESOL examination, international companies use it as a suitable entry requirement by academic institutions and for recruitment. "Success with BEC" provides complete preparation for the BEC exams, but is also an ideal focus for in-company training courses and for business people and students wishing to improve their English and job prospects. The course covers the three levels of the exam: BEC Preliminary, BEC Vantage and BEC Higher.
