The volumes “living” and “doing” document all the award-winning designs and offer an overview of current trends, allowing for a comprehensive insight into today’s design scene.

“living” showcases all categories from the lifestyle and household categories, while “doing” displays all the winning products from activity-based and technology-related categories, including computers, cameras and mobile phones, tools and medical equipment, as well as cars and all other means of transportation.

Also featured, alongside the award-winning products and the red dot jury of experts in profile, will be all designers who won a “red dot: best of the best” award and the red dot: design team of the year.

书评

我们家是专业代理外文设计类的书籍，这个红点设计年鉴我们家每年可以销售100本，谁有好的货源请告知，常年合作。
红点设计年鉴（产品）手册这本书，在中国其实可以做成中文版发行，面对的消费群可以更广一些，学生级别的客户群也可以购买。这本书不错的，也算是工业产品...
