Wicked WordPress Themes is a step-by-step guide to creating beautiful themes for the world's most popular CMS, WordPress.

By following the book's advice, readers can produce designs that are aesthetically

stunning, consistent, and for-purpose -whether it's for their own use, or to drive a high price on the theme marketplace.

All facets of theme design are covered: from design, coding, and deployment, to ensuring readers' designs are ready-to-go as soon as they're installed.

Wicked WordPress Themes teaches readers how to leverage theme design frameworks to dramatically shorten development time, enabling them to enter the theme market faster.
