著者:Alvin B. Kernan

出版者:Princeton University Press

出版时间:1989-11-1

装帧:

isbn:9780691014753

'Writing as he does with energy and grace, Kernan is a thoughtful guide to the world Johnson lived in and helped to make...What is best about Kernan's book is that it is up to date but not vogueish; he has assimilated new scholarship but not been overpowered by it.' - W.B. Carnochan, The Times Literary Supplement
