A gorgeous collection of classic Greek myths welcomes readers of all ages into a legendary world of beauty, tragedy, and miracle.

Enter a world where anything is possible. A god might be a mountain or a shower of gold. A nymph may be a stream or an echo in the wind. The myths of ancient Greece are full of such wonders, as well as a host of courageous heroes, cunning heroines, and terrible monsters. Ann Turnbull's compelling prose enlivens sixteen of the most celebrated myths, from the sadness of Persephone to the ill-fated love of Orpheus and Eurydice, from Pandora's unlucky curiosity to the greed of King Midas to many more age-old tales filled with drama and romance. In vivid, expressive detail, Sarah Young's fine-art illustrations bring this golden world to life, capturing creatures from Cerberus, the threeheaded dog, to the sinister snake-haired Medusa.
