Each book includes a \$15 gift card from DonorsChoose.org to give to a classroom in need. The American public school system is in crisis, failing millions of students, producing as many drop-outs as graduates, and threatening our economic future. By 2020, the United States will have 123 million high-skill jobs to fill—and fewer than 50 million Americans qualified to fill them. Educators, parents, political leaders, business people, and concerned citizens are determined to save our educational system. Waiting for "Superman" offers powerful insights from some of those at the leading edge of educational innovation, including Bill and Melinda Gates, Michelle Rhee, Geoffrey Canada, and more. Waiting for "Superman" is an inspiring call for reform and includes special chapters that provide resources, ideas, and hands-on suggestions for improving the schools in your own community as well as throughout the nation. For parents, teachers, and concerned citizens alike, Waiting for "Superman" is an essential guide to the issues, challenges, and opportunities facing America's schools.

## 评论

英文读起来很流畅，不晦涩。作者很会讲故事。对纪录片电影有更细致的诠释，但没有打开新的视角。
