In this eagerly awaited treasury, renowned Japanese master Shozo Sato offers his own personal teaching on the beautiful art of sumi-e. "Sumi-e: The Art of Japanese Ink Painting" provides step-by-step, photo-by-photo instructions to guide learners in the

correct form, motions and techniques of sumi-e. Featuring gorgeous images and practical advice, it includes guided instructions for 35 different paintings. From waterfalls to bamboo, learners paint their way to understanding sumi-e--a style of painting that is characteristically Asian and has been practiced for well over 1,000 years. Although it's sometimes confused with calligraphy, as the tools used are the same, sumi-e instead tries to capture the essence of an object or scene in the fewest possible strokes. This all-in-one resource also provides a timeline of brush painting history, a glossary of terms, a guide to sources and an index--making it a tool to use and treasure, for amateurs and professionals alike.
