Includes bonus postcards! It's not just eye candy - it's a full meal! Welcome to visionary photographer Carl Warner's curious world, where Parmesan peaks tower over a desert of paprika and spiky chicory, while a tomato-skin scorpion perches on a potato. Every one of the 13 complex images featured in this calendar offers a unique visual feast for foodies and fantasy lovers.

评论

十分有趣。适合拍定格动画

虽然个别作品最终的风格有些夸张，但是其对创作环节的完整以及专业技术的运用非常值得学习。
