The original and still the best, Hugh Johnson's Pocket Wine Book 2010 successfully distills the world of wine into a handy, eloquent gem of a package. Now in its 33rd edition, it is the UK's number one wine book and appeals to both wine lovers and professionals alike, making it the key reference for enthusiasts, investors and collectors. This year's edition boasts up-to-date news on more than 6,000 wines, growers and regions plus invaluable vintage information from expert contributors around the world. In addition, a full-color supplement focuses on wine and food plus there are more than 200 of Hugh Johnson's personal favorites for 2010. Hugh Johnson's winning formula of personal insight and critical appraisal of the world of wine, plus vintage news has never been bettered. During the past four decades he has written a number of books that have become landmarks on the subject, including his

classic The World Atlas of Wine, published with Janis Robinson.
