Join the expedition as the five photographers and 18 supermodels featured in the 2010 Sports Illustrated Swimsuit issue treat you to a behind-the-scenes account of their most recent travels, revisiting their experience on-site with never-before-seen images and exclusive commentary. In this large-format, 192-page collection, Swimsuit Portfolio: Paradise Found showcases the world's most exquisite bodies in five of its most exotic locations—India, Chile, Portugal, the Maldives, and the Mojave. Grab your passport and take the tour with Bar Refaeli, Brooklyn Decker, Irina Shayk, Daniella

Sarahyba, Julie Henderson (among others) as your guides. With dozens of previously unpublished swimsuit shots, it’s an expanded and extraordinary look at the making of the magazine’s best-selling issue.
