"Colorful bangles, Pucci head scarves, and eccentrically upholstered Louis XIV chairs all pop off the pages of *A Life of Style* . . . lush chronicle."

—Vogue

"Both playful and thoughtful, Rebecca Moses brings a wonderfully light touch to her

serious sense of style." — Anna Wintour

"Rebecca Moses' s A Life of Style is a charming personal analysis of that most elusive of gifts . . . style . . . and of how mysterious and captivating true style really is. Rebecca' s passion for all things design and her talent for illustration make this book a unique voyage into the life of a passionate devotee of the art of living!" — Vera Wang
