Together again at last after their excursion into Italy, it's going to be a hot and heavy reunion for Charley and Rayflo. And apparently a short-lived one. Still on edge about Barry and his machinations, Rayflo is reluctant to get his favorite vassal involved, and so as soon as they escape Yaoding, he's off again. In the meantime, Father Mailer is back on the scene, and with no time to mourn over his absent Master, Charley continues hot on the trail of the mysterious Vassalord! But a romantic night at the opera leads to surprises all around...
