评论

这本小书所写的关于互联网之反思非常平实，却非常值得思考

All about sanity, awareness and proactivity for a digital age

----
算是信息时代的一些提醒吧。恩...CS105 ^-^

书评

When human beings acquired language, we learned not just how to listen but how to speak. When we gained literacy, we learned not just how to read but how to write. And as we move into an increasingly digital reality, we must learn not just how to use pr...
