In the UK graphic design world, Music, Fashion, Art...such different cultures get closely involved with each other and create an edgy independent scene. This book introduces the graphic works by the creators who became history from 1980, when Peter Savilleto and Neville Brody appeared, to the present. Covering from the history of UK graphic design through to the newly possible movement, this will be a bible for the UK graphic lovers!

《Hello! UK Graphics》采访众多自上世纪八十年代以降的英国著名平面设计工作室，编辑思路稍独特——在图片上相当关注被采访者的工作环境，页面比例上差不多与作品展示并重。日英双语编排也舒服自然，是专业人士和爱好者有空时候都愿意翻翻的～
