Hudson Music is very proud to present Thomas Lang - Creative Control, the long-awaited companion book to the award-winning DVD of the same name. Designed

to be used as either a stand-alone product or in combination with the DVD, Lang presents the unique and innovative system that he has used to develop his awesome speed, control, finesse, and coordination - a step-by-step system that will allow you to hone your drumming chops so that you can play more effectively in any style of music. Part I details Lang's methodology and provides over 90 challenging exercises. Part II contains musical examples that showcase many of the techniques presented in Part I. It also includes play-along rhythm charts for five musical compositions from the DVD which were specially re-mixed without drums exclusively for this book and are included on the enclosed CD.
