This is the perfect reference to help maximize the potential of Nikon D300s, a lightweight camera with professional capabilities. It comes in a perfect camera-bag size and includes a quick reference guide - great for on the go! It is the latest in the highly successful "The Expanded Guide Series". "The Expanded Guides" are much more than just user guides and they cover all the capabilities of each camera! Written

by experts and with worked examples, they are jargon free, full-color and inclusive. This title covers Nikon's D300s digital SLR, its professional DX-format camera. The D300s is an update of the very successful D300. Rugged and flexible, the D300s is an outstanding camera for those who want professional capabilities in a compact and lightweight package.
