Sixty to make in thirty! We challenged some of our best designers to create a pair of fantastic earrings in thirty minutes flat, and they enthusiastically delivered beyond our wildest expectations. This 60-piece collection showcases an array of inspired and stylish projects that don't demand a large investment of time or money, but do give jewelers the pleasure of sharpening their skills and enjoying spectacular results. The imaginative and diverse designs feature everything from elegant gold, pearls, and sterling silver to nontraditional and repurposed materials.

Every one is gorgeous!The star contributors include:Borris Bally - Raissa Bump - Ross Coppelman - Joanna Gollberg - Brenda Schweder - Ingeborg Vandamme - and many more!
