出版时间:2010-5-1

装帧:Paperback

isbn:9781583228982

An eye-opening overview of American cultural policy fully updated through the end of the Bush presidency, *Propaganda, Inc.* reveals how the United States Information Agency became a bureaucracy deeply distrustful of dissent, and one-way in its promotion of American corporate interests overseas.

Nancy Snow spent two years inside the Agency, and here provides an insider's account of its crooked relationship to corporate interests and war—a must-read for those concerned with American propaganda and the war on terror.
