The 2009 Naxos AudioBooks recording of *Sylvester* met with resounding approval and clamours for more Georgette Heyer audiobooks. Here is "Venetia", a clear favourite from among Heyer's novels. In her trademark buoyant and exuberant style, Heyer tells the story of an unconventional romance, which is full of riveting dialogue and loveable, very human characters. Quick-witted, self-assured, funny and beautiful, "Venetia" is one of Georgette Heyer's most popular heroines. When the dashing Lord Demerel intrudes upon a quiet provincial community in the North of England, news of his scandalous past soon sets tongues wagging. In spite her of sheltered upbringing, though, Venetia is singularly unfazed by the rakish Demerel, and proves to be more than a match for him.

评论

听完一个少一个，终于明白为啥是3本里最受欢迎的了

Georgette Heyer的三本都挺有意思

Since there's no help, come let us kiss, and part.
