The Game Master's Toolkit is a valuable resource for both new and veteran Game Masters. The toolkit is filled with a number of helpful tools and adventure seeds for Game Masters to enhance their Warhammer Fantasy Roleplay games, as well as

provides more advice and suggestions to help refine their GM skills.

The Game Master’s Toolkit includes punchboard with more NPC and creature standups and tokens, new location and item cards, and introduces organisation sheets to integrate into your game. The toolkit also includes a sturdy, full colour, double-sided GM screen, and a full colour 48-page book.

The book features invaluable tips and guidelines to help a GM manage the game, engage his players, and create memorable adventures for his group. The book includes a number of detailed episode templates to help cut down on prep time, as well as introduces new rules for nemesis characters and organisations to challenge the heroes. Armed with the resources found in this toolkit, a GM will always be ready for action.
