装帧:Paperback

isbn:9780946676538

Designed to mimic an actual phone book, The Phone Book 1998-2002 contains images of people on cell phones Parr shot around the world and has organized according to region: Europe, Hong Kong, Japan United Kingdom, United States, Rest of the World. Classic tongue-in-cheek from one of Britain's best. A rare book straight from Europe that will be hard to come by in a relatively short time.
