著者:Nancy E. Claxton

出版者:International Debate Education Association

出版时间:2006-9

装帧:Paperback

isbn:9781932716269

This Teacher's Guide serves as a manual for using Discovering the World through Debate, third edition. It provides lesson plans for a 12 week course, with 180 minutes of

classroom instruction weekly. Activities vary, but all are designed to help students understand debate on a theoretical and practical level.
